

# PRINT FILES / HOW TO EXPORT: BROCHURES

After you are done with your design

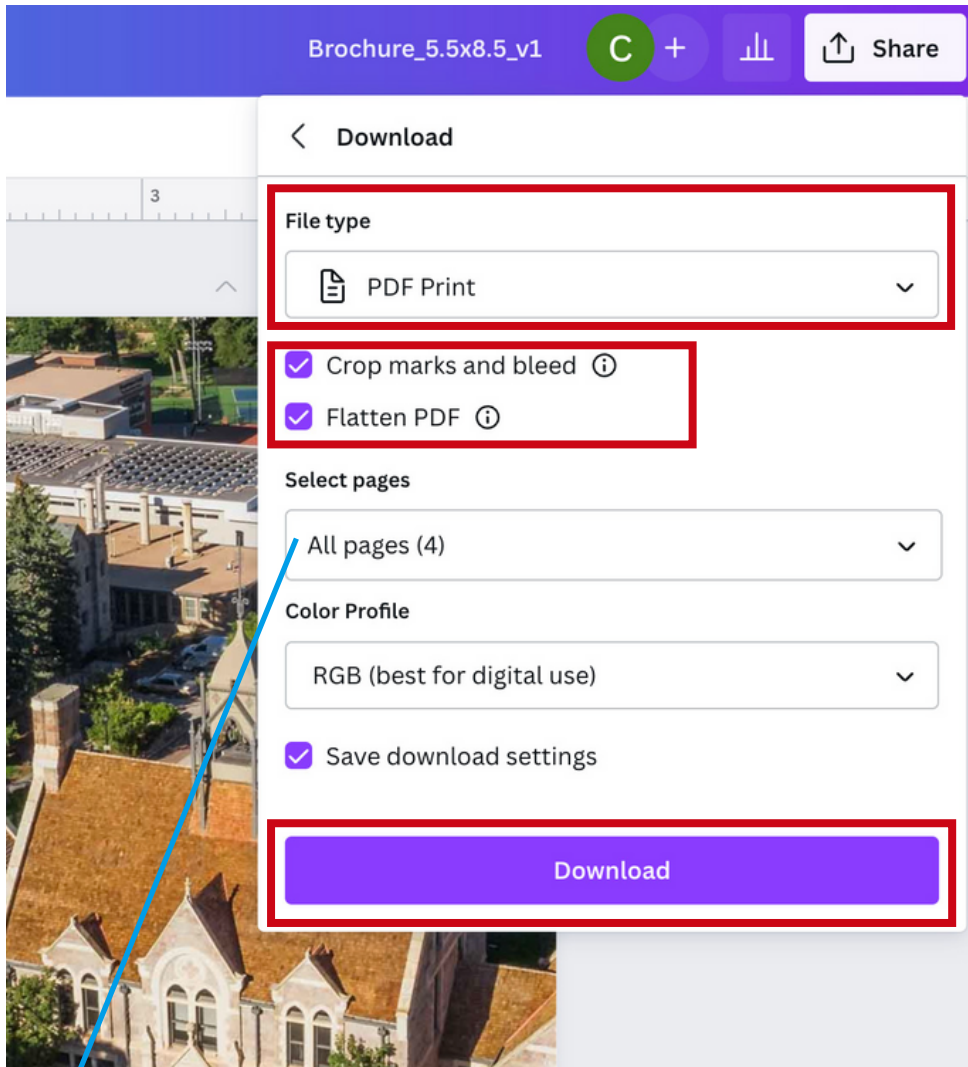

The screenshot shows the Canva interface for a brochure design. At the top, the design name 'Brochure\_5.5x8.5\_v1' is visible. A red box highlights the 'Share' button in the top right corner. Below the design, a 'Share this design' panel is open, showing options to add people, link sharing restrictions (set to 'Only people added'), and a 'Copy link' button. At the bottom of this panel, a red box highlights the 'Download' button. Other options include 'Share on social', 'Print your design', and 'More'.

1

Click the  
"Share"  
button

2

Click the  
"Download"  
button

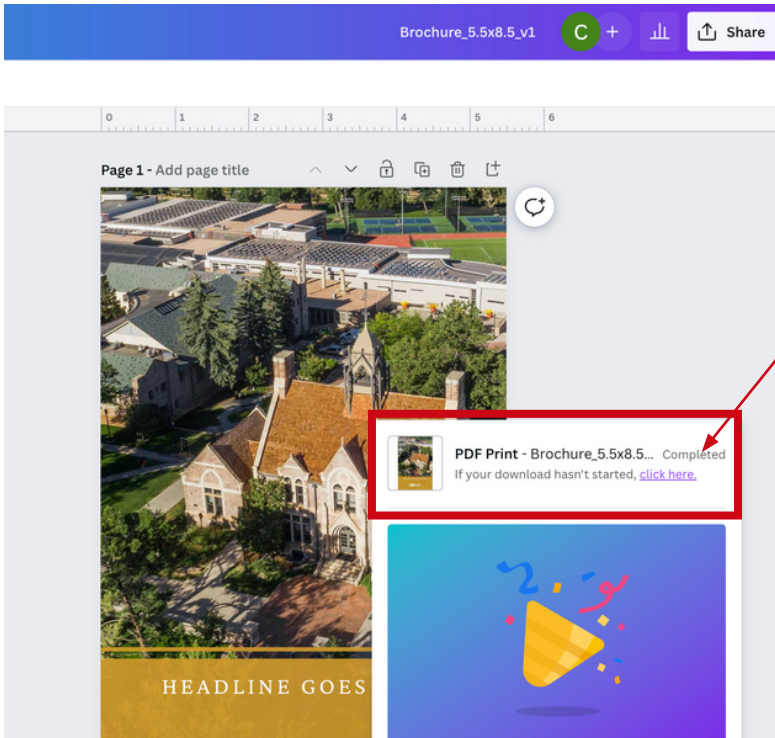

3

Under “File type”  
select “PDF Print”

Check boxes  
“Crop marks and bleed”  
also “Flatten PDF”

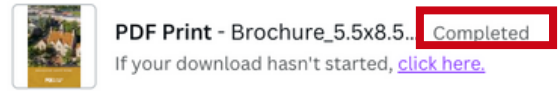

4

Click “Download”

You will get a notification that your "Download" has "Completed"

You'll find your file in the same place where you download files from emails and websites.
