After you are done with your design

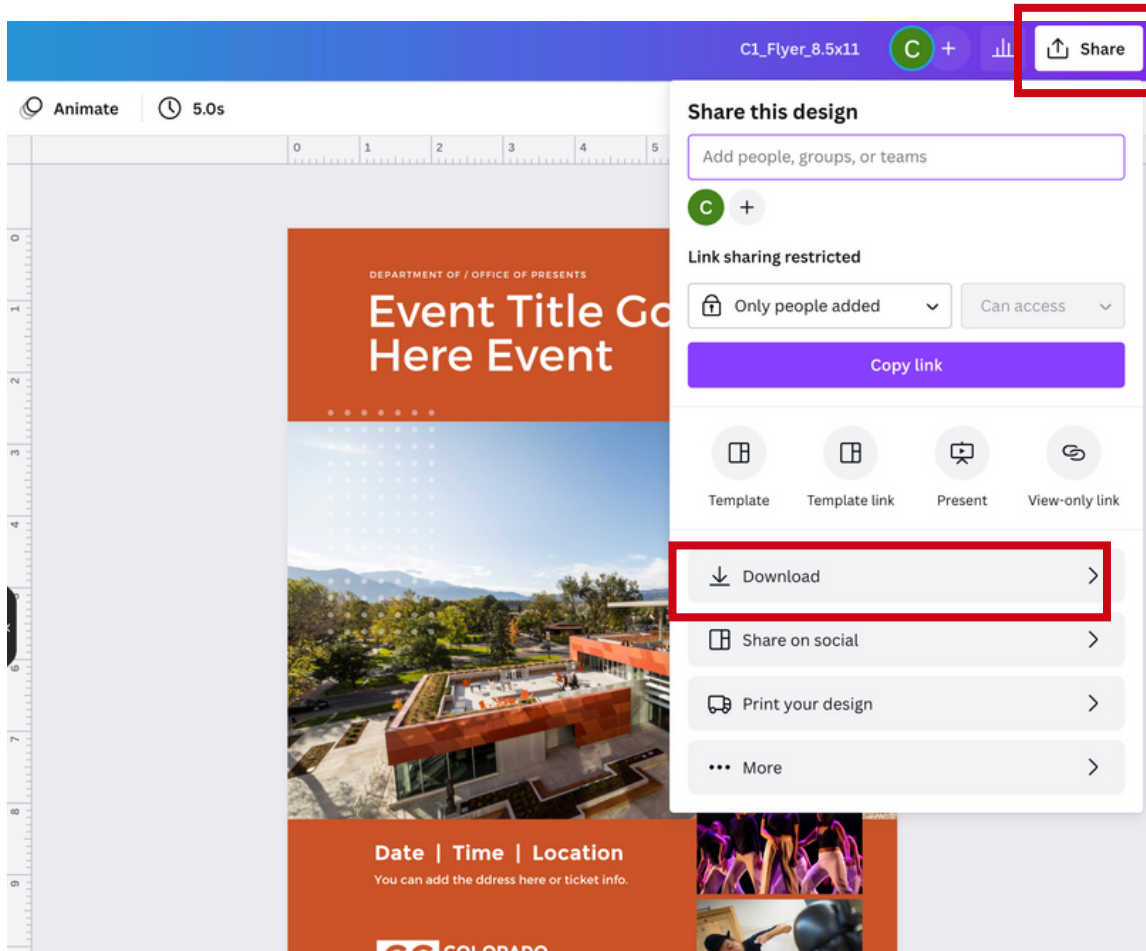

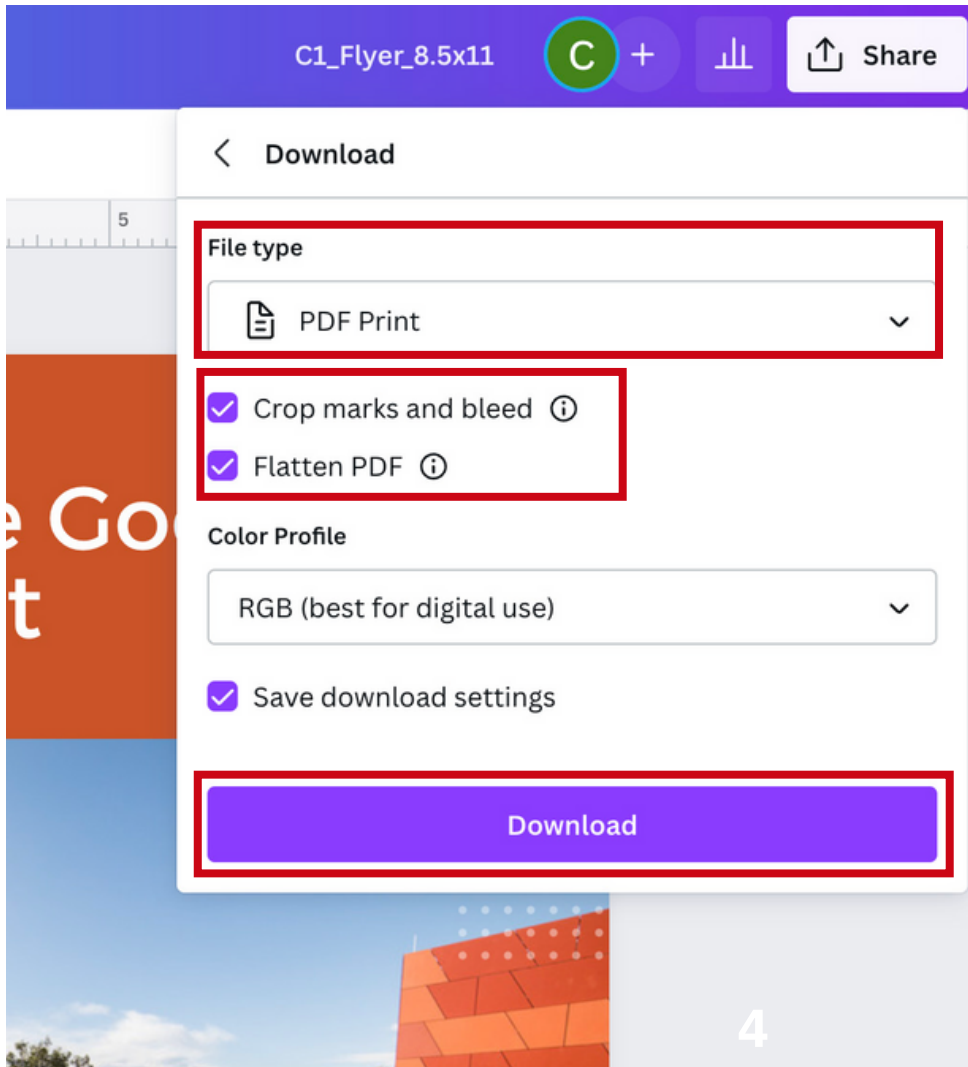

1

Click the "Share" button
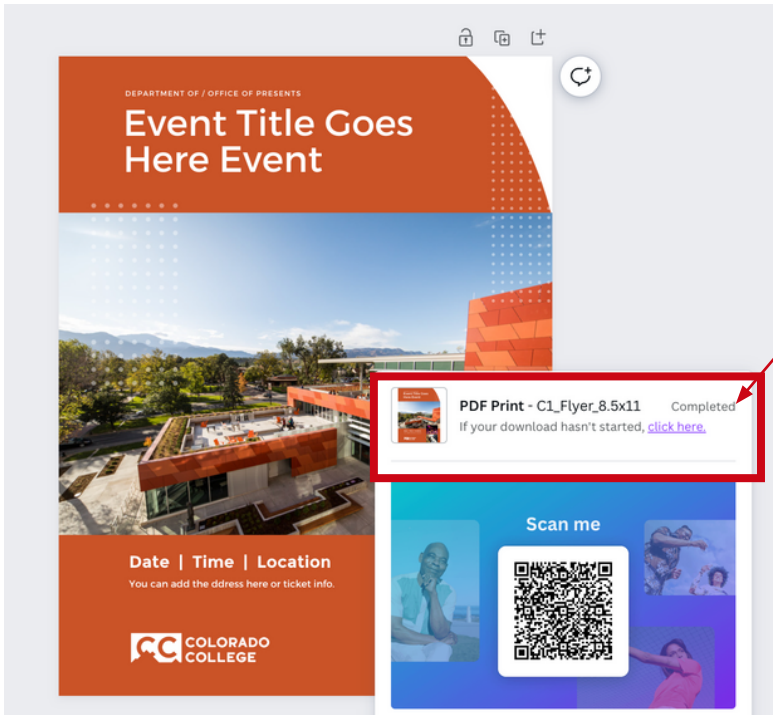

2

Click the "Download" button

3

Under "File type" select "PDF Print"

**Check boxes "Crop marks and bleed" also "Flatten PDF"**

4

Click "Download"

You will get a notification that your "Download" has "Completed"

You'll find your file in the same place where you download files from emails and websites.

Sample of "Downloaded" file
