Online Permit Registration

DO NOT COMPLETE THIS FORM TO UPDATE YOUR VEHICLE. PLEASE EMAIL [PARKING@COLORADOCOLLEGE.EDU](mailto:parking@coloradocollege.edu) TO UPDATE YOUR VEHICLE INFORMATION.

You'll need your CCID# and your license plate number. Failure to provide a complete license plate number may result in a citation, partial or unknown plate numbers will not be accepted, and registration will be denied.

Colorado College Parking Regulations, view more information, go to Parking Office website: <https://www.coloradocollege.edu/offices/parking/>

Permits Required:

Colorado College requires the registration of any motor vehicle parking on any property owned or leased by the College, including vehicles, motorcycles, Gem-carts, mopeds, scooters, etc.

- First year students are not eligible to park on campus, per their housing agreement and pathfinder.
- Permits are given on a first-come, first-serve basis.
- Only vehicles with registered license plates may use Colorado College Parking lots. Any parked vehicle not registered through the Parking Office will be subject to a parking citation.
- Students may register 1 vehicle.
- Faculty and Staff may register up to 3 vehicles per permit, but a citation will be issued if more than one vehicle, registered to the same permit, is parked on the Colorado College Campus at the same time.
- Staff/Faculty with valid CC issued permits may only park in designated surface lots and/or in street zones/areas, and **may not park in other parking lots and/or street zones/areas.**
- Students with permits in the C1 lot may only park in the designated residential parking areas, **only in the west and east sides of the main C1 lot.**
- The city of Colorado Springs has designated spaces along Nevada Ave, Cascade Ave, Dale St, Weber St, and Cache La Poudre St as Colorado College permitted parking zones/areas.
- Parking in these locations without a permit will result in a municipal citation and paid through the City of Colorado Springs.
- Street permits are required in these spaces from 7am-5pm M-F.
- Acknowledgement that permits are not oversold and allow a spot in each parking lot and/or street zone/area **but does not guarantee an assigned space or available space, if non-permit holders or permit holders parked in the wrong lot are taking away spots from permit holders.**

Display Requirements:

- All permits must be visibly displayed with the entire face of the permit visible from the outside of the vehicle. The face of the permit is the side that displays both the current stickers and the permit number.
- Permits are not valid in designated reserved spaces, unmarked/unpaved spaces, metered spaces, visitor parking areas, or areas designated as timed parking, or other signed areas.

By completing this vehicle and permit registration form, you acknowledge you have read and agree to abide by Colorado College Parking Regulations. Failure to comply with the regulations may result in the vehicle being issued citation(s).

I authorize the Colorado College Payroll Office to withhold the full cost of my parking permit over a predetermined period. This period will be based on the number of paychecks that I receive per year. I understand that if I should receive a parking citation, and do not pay after thirty days of receiving the citation, The College Payroll Office may then withhold all unpaid citation amount(s). These amounts are attributable to the failure of adhering to the campus parking regulations (If you would like to pay for your permit in full, add a note to the comments on your 'Review Registration' page).

4. Enter in Contact Information, CCID#; First Name; Last Name; Department; Cell Phone; CC Email. Then click the 'Save' button or click the 'Continue' Button:
