Dear 1961 and 1962 Classmates!

It's hard to believe we graduated 45 or 46 years ago from Colorado College. We are only getting younger and the College is getting stronger! This fall we will celebrate with our *45<sup>th</sup> Reunion at Homecoming, October 12 - 14, 2007.*

**Welcome Home!**

Those days were idyllic in so many ways as we mixed intellectual challenge with beer at Garden of the Gods, cheering at football and hockey games, getting a “Rocky Mountain High” on those skiing trips to Aspen and so much more. Do you remember the infirmary? What about moving all the library books across to the new building? Remember when the Air Force Academy played a football game on our field?

Professors such as Amanda Ellis, Bill Fischer, Bill Hochman, Doc Stabler and Fred Sondermann were just a few who taught us an appreciation for learning that continues today. We got involved in student activities like the yearbook, sports, fraternities, sororities, wearing our freshman beanies and finally crossing the stage on graduation day after filing out of Palmer Hall.

While names and events have changed in 45 years, the pairing of books and beer is applicable to today's CC students. Professors continue to challenge students in the intellectual adventure that is Colorado College. The students still find time to have fun be it rock climbing in Garden of the Gods, building a house for Habitat for Humanity, studying abroad or up at the Baca Campus. We were able to gain our education because alumni before us contributed to the cost of our education. Now it is our turn.

The 45<sup>th</sup> reunion committee has set a goal for 45% of our class to make a gift in honor of our reunion. Please take a moment and fill out and return the enclosed gift form, or go online, [www.ColoradoCollege.edu/Giving](http://www.ColoradoCollege.edu/Giving).

The plans are made. Our 45<sup>th</sup> will be a wonderful opportunity to catch up with old friends. All the reunion information can be found at [www.ColoradoCollege.edu/Alumni/HomecomingReunions](http://www.ColoradoCollege.edu/Alumni/HomecomingReunions).

See you in October.

Your 45<sup>th</sup> Reunion Committee
