

Colorado College Class of 1982

25th Reunion & Homecoming, October 12-14, 2007

COLORADO COLLEGE
1 8 7 4

Has it been 25 years already? Hard to believe, isn't it? For those of us on the 25th reunion planning committee, we can hardly believe how these past 25 years have flown by. We were at the College recently to begin planning for our reunion, and we swapped stories of our first days on the campus and our experiences with our favorite professors. We even toured the campus and saw the incredible change that has happened since our time at CC.

Well, if you're curious to see your old friends from your Colorado College days, plan to come to your 25th college reunion. Bring your families and enjoy a weekend of reconnecting, reminiscing, activities, and meeting with your former professors. We have an excited and committed planning group from the Class of '82 who are intent on making this the best reunion possible for our class (and we hope the history of the College).

Our goal for this reunion serves as our theme: 25% at the 25th. So, here's how it goes, we want to encourage 25% of our class to participate in this, our 25th class reunion.

Very soon you will be hearing from a member of the 25th Reunion Committee to encourage you to attend the reunion during Homecoming Weekend, October 12 - 14th. We hope that you will be joining us for a memorable time.
