Dear CC'ers,

As you are aware we are celebrating our 25th reunion this year, October 12-14, 2007. What great expectations the reunion committee has that you will return for the excitement, the parties, the chance to see the new and greatly improved campus, and to reconnect with your college faculty and CC friends. All the details are listed on our 25th reunion website, www.ColoradoCollege.edu/Alumni/HomecomingReunions.

Please take a moment and fill out the enclosed biographic form for our class reunion directory. It will be fun to read what our class has been doing since graduation.

Plan not only to attend, but to participate in our giving campaign. The goal set for our class giving **participation** is 50%, a goal that cannot be reached without your thoughtful contribution to our outstanding college. The college has a "no hassle, easy access" electronic site at www.ColoradoCollege.edu/Giving.

The plans are made. The dinners, dances, hockey games, football games, soccer games, lacrosse games, and campus tutorials are set. All we need now is your participation! Remember how wonderful Colorado is in the fall? Pikes Peak is calling you to return to marvel at its beauty.

Your classmates are counting on you. Come and Enjoy.
