

Dear Classmates:

Have you been wandering back to college campuses recently (perhaps for some occasion relating to your own progeny), and been shocked to notice how incredibly YOUNG all the students look? Like they should still be in junior high, perhaps?

Well, we have the perfect antidote for your feeling that time is passing you by. For just three days this year in October (the 10-12th to be exact), Colorado College will once again be overtaken by a rowdy, fun-loving group that looks just like you: your CC classmates from '73 and '74!

Festivities begin on Friday evening with a reception downtown at Phantom Canyon and continue all weekend.

This is a great chance to catch up with old friends and prove to ourselves, anyway, that we don't have to be 22 to still have a wonderful time at college! We hope to see you there.
