Textbooks and other supplies		\$50
Cost of meals not included in the program fee		\$950
Additional housing costs		
Local transportation		
Personal expenses		\$500
Immunizations, vaccinations		
Other miscellaneous		

#### Notes:

- Estimated expenses are calculated based on what an average student might spend per semester. Actual amounts will vary depending on individual needs, spending habits and exchange rates.
- Colorado College invoices will normally be mailed in late November for spring programs and in early July for programs that begin in the fall. Please bear in mind that invoices may be sent before a student has finalized his/her plans for study abroad, and may not reflect the appropriate costs. If this is the case, the student's account will be adjusted and an amended invoice sent.
- Students are responsible for determining whether or not their existing health insurance coverage extends to them overseas. Some students may need to purchase additional coverage.
- Students who plan to transfer financial aid to the cost of their study abroad program should be sure to meet with an advisor at the Office of Financial Aid (Cutler Hall, x6651).
- Please consult your program provider for information about student visa requirements and recommended vaccinations.
