## Award-winning KRCC hosts open house to launch membership drive

Colorado College's popular public radio station KRCC will host an open house on Saturday, April 22, and Sunday, April 23, from 10 a.m.-6 p.m. The festivities will launch the semiannual spring membership drive, scheduled for the week of April 24-28. The public is welcome to stop by any time during open-house hours to enjoy some music and barbecue, take a quick tour, and talk with station staff, DJs, volunteers, and other friends of KRCC. The station is located at 912 North Weber Street.

KRCC, a community-supported service of Colorado College, broadcasts news and information, freeform, jazz, blues, Celtic, and reggae music to more than 60,000 listeners per week in south-eastern Colorado. It serves Colorado Springs and Pueblo as KRCC 91.5 FM, La Junta as KRLJ 89.1 FM, and via translator, other Colorado communities.

As in prior years, KRCC offers membership incentives to encourage listeners to become new or renewing EarlyBird members by making a contribution before the official on-air membership drive begins on April 24. New and renewing members receive an EarlyBird card, good for discounts at select KRCC underswriters' and business members' businesses for six months. KRCC also offers a selection of premiums for contributions of \$70 or greater, plus a special "online donation" premium for donations of \$50 or greater. Listeners can find out more and make a secure online donation at [www.krcc.org](http://www.krcc.org).

Membership is a way for listeners to show their commitment to excellence in public radio and demonstrate pride in their community. KRCC's goal for the April membership drive is to generate \$180,000 in revenue.

KRCC recently won two awards from the Colorado Broadcasters Association for its locally produced news program "Western Skies." The program, which debuted in January 2005, was introduced as a strategic initiative of Colorado College to

KRCC is ready to mail your EarlyBird card to you today.

inform and engage the communities in the broadcast area.

The Colorado Broadcasters Association "Awards of Excellence" are open to all radio and TV stations in the state. KRCC competes in the "major market" category, which includes Colorado Springs, Pueblo, Fort Collins, Greeley, Grand Junction, Longmont and Loveland.

"We're proud that after just a year on the air, the statewide broadcasters' association recognized us with these awards," said KRCC news director Eric Whitney. "We work hard to bring listeners the kind of engaging, thoughtful stories they have come to expect from public radio. We're only able to do work like this because KRCC's loyal members, underswriters, and Colorado College have agreed to take on the significant expense and responsibility of producing local and regional news."

"Western Skies" airs on Tuesdays and Thursdays at 7 p.m., with an encore broadcast every Saturday at 4 p.m. Archives and more information can be found at <http://westernskies.krcc.org>.

## CC Summer Camps and Kids' Activities

CC's sponsored and hosted summer camps include:  
**FunQuest Day Camp:** ages 6-12 (grades 1-6).  
 June 5-August 4

## Summer Festival of the Arts

The Colorado College Summer Festival of the Arts is really four complete festivals— and more. Every summer at CC, you literally have world-class music, dance, and performance right in your own backyard.

### Summer Music Festival

Concerts June 13-July 4

Celebrating its 22nd year in Colorado Springs — the Summer Music Festival brings together internationally-acclaimed artists and talented students for three weeks of study and performances.

### Extraordinary Dance!

June 26-July 14

The Extraordinary Dance! Program is designed to cultivate the physical ability,

the confidence, and the artistry in each participant. Enrollment is open till May 16.

### Vocal Arts Symposium

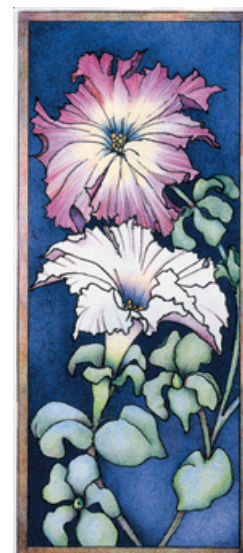

July 16– August 6

This collaboration between CC Summer Programs and the Opera Theatre of the Rockies is an intensive three-week course for serious vocal students.

### New Music Symposium

Concerts July 13-16

Celebrating its 10th anniversary this summer! The New Music Symposium showcases the works of several dynamic contemporary composers, under the direction of Music Director Ofer Ben-Amots and Artistic Director Susan Grace.

*“I cannot tell you how much of an impact on my life the Summer Music Festival has been. .. Thank you so much for the music.”*  
 —2005 participant  
 Drew Ingersoll

## It's that time of year when people have parties ... If we get on your nerves...

When the weather turns balmy and the sunsets go on forever, people naturally want to kick back, relax, and celebrate under the stars. Some of those people, of course, are CC students.

If the celebration turns into a nuisance, please let us know so the college can intervene.

Colorado College invested a great deal of effort to resolve this issue when it was an acute problem in the fall of 2004. Efforts to educate CC students about the importance of respect and being a good neighbor, and the ramifications for bad behavior, have continued since that time. We believe that things have improved greatly, but any disturbance is one too many, so please let us know if we can help you keep the peace. As before, we encourage you to contact the police as needed for immediate assistance, and also to notify CC's community relations manager so we can address the problem and follow up with you.

**CONTACT: Colorado Springs Police Dept**, call 444-7000. You can ask for Officers Chuck Bromley or Brian Kelly. For code violations, call 444-7891. **CC Community relations manager** Connie Dudgeon — 389-6835.

## CC Will Host 2006 Pikes Peak Library District World Music Series

Once again, the wonderful folks at PPLD have put together some great free concerts celebrating the best music from all over the world. Colorado College is proud to play host to the 2006 series. Come feel the good vibes from these renowned international bands. All performances are at 7pm.

<b>Plena Libre</b>	Saturday, <b>June 24</b>	Armstrong Quad
<b>Sakesho</b>	Saturday, <b>August 26</b>	Armstrong Quad
<b>Huun-Huur-Tu</b>	Saturday, <b>November 4</b>	Shove Chapel

## Campus Construction Notes— The Cornerstone Arts Center

*Every architectural opportunity should be taken to remind us that this facility is for and about the fine and performing arts. It is a facility that should encourage, inspire and invite us, as individuals and as a campus as a whole, to become involved with and support the arts. — Cornerstone Arts Building Committee*

Colorado College is excited to begin its next construction project, the Cornerstone Arts Center. The new facility will serve as the physical backbone of the arts culture on campus.

The Cornerstone Arts Center will be located on the south-east corner of Cascade Avenue and Cache La Poudre Street, directly across from Packard Hall.

The 76,172 square foot building was designed with input from all fine and performing arts faculty whose departments and performances will be housed in the Center. The architect selected for this important project was Antoine Predock, an internationally-acclaimed creator of bold and beautiful buildings.

Ground will be broken for this project on Friday, May 19. Work is expected to be completed in March 2008.

If you have questions related to construction activity and how it may affect you, please contact the External Relations office and we will be happy to find answers for you.

Architect's rendering of the new Cornerstone Arts Center
