

September 1, 2008

To Parents and Students of the Class of 2009:

My name is Blake Hammond and I have the pleasure of serving as the 2009 Senior Class President and like many of you, I am looking forward to beginning the final school year. One of the problems I have faced the past couple of months is the thought of what to do once I graduate and enter the “real world” as one of my close friends who previously graduated describes the transition.

To be better prepared for this “real world” the Class Officers of 2009 have styled a SYE (Senior Year Experience) schedule that addresses issues that we will face for life after graduation such as preparing meals, balancing your finances, and tips on handling those loans that seem to linger behind all of us. Along with tips to ensure preparation for life after graduation, we have constructed a schedule that mimics our college’s dedication to community service and SENIOR ONLY events such as Bagels and Brewfest, 100 days ‘till Graduation and Jazzfest. For a list of the SYE schedule and other information about the Class Officer Program check out our website at <http://www.coloradocollege.edu/sye/2009/index.asp>.

The Fantastic Four that will be at the forefront of the SYE schedule and that will be available to answer any questions or suggestions that you may have are **Blake Hammond**, President; **Sarah Davidson**, Vice President; **Eric Corliss**, PR and Communications; and **Spencer Hoffman**, Finance and Web Design. I have worked with these individuals all summer and have witnessed that this group is dedicated and committed to making 2008-2009 a blast!
