

# Cosgrove Student Research Funding

Amount: Up to \$800 per student

Intent: To support History students (majors and hyphenated-majors) working with History faculty mentors on historical research projects that cannot be undertaken at CC or through Inter-Library Loan. This research may occur during the regular academic year or, with faculty approval, during the summer. Students may apply to fund travel to libraries, archives or museums for on-site research, to conduct oral history interviews, or to gather other materials for research projects. We support direct travel costs, modest living expenses, and research costs up to \$800 and encourage students to apply for Venture Grant Funding first or concurrently.

Requirements:

1. Detailed proposal describing the project, its timetable, and its specific research needs (i.e., listing the libraries/ archives/museums to be visited and the materials that the applicant hopes to examine)
2. Brief Letter of support from CC History Department member
3. Detailed budget, with airfare or mileage, food and lodging costs, and research expenses (photocopying, images, etc.)
4. Acknowledgement of funding upon receipt in written or oral presentations of research\*

DUE DATE: 1<sup>st</sup> Monday of each block (because we have a Dept. meeting that 1<sup>st</sup> Wednesday)
