I Believe

Ely Merenstein '21

I believe in the light.
It is small, yet so strong.
It's a flame that burns in the hearts
of those who know we all belong.

Oh, I believe...

I believe in the yearning,
in the hope we see
when of justice we form action,
and doing so, set justice free.

I believe in the sadness
of all those who feel,
for it burns all the brighter
as they struggle for what is real.

I believe in our light,
for we know it must be true
that good will rise again,
no matter how dark,
no matter when,
and that the light will yet renew.
