ACKNOWLEDGEMENTS

As you can see, it takes a lot of input, work, and coordination to bring a production to fruition. We are so thankful to have such a great team here at Colorado College to make this happen. It has been our ardent desire to further a greater appreciation of the operatic art form in our students and to give them an opportunity to perform parts of well-known works. This has been a delightful group to work with in all aspects. We hope it will inspire future enjoyment for all involved.
