ALEX UKROPINA | Joy

Alex Ukropina (she/her) is a sophomore at Colorado College. She is a neuroscience major looking to attend med school; however, theater is equally present in her life. Prior to coming to Colorado College she performed as Medda Larkin in Newsies, DeeDee Allen in The Prom, and Juror #10 in 12 Angry Jurors at Northfield Mount Hermon. ABBY WILHELM | JESSICA

Abby is so excited to be a part of the cast for Searching for Santa and to continue to be a part of the Colorado Springs Conservatory. Abby is a current junior at Pine Creek High School and has had some memorable roles in Bye Bye Birdie (Randolph) She Kills Monsters (Chuck) and Curtains (Johnny). When she is not performing, Abby is singing and jamming out on her guitar. Abby hopes to continue to learn and grow with this program and is so grateful to have the opportunity to do so. She is so excited to perform this amazing show with the most talented people. She hopes you enjoy it!

ELLA ILLSLEY | ELLA

Ella is so excited to be originating a role in Searching for Santa. Ella has been studying at the Colorado Springs Conservatory since 2022, and has found a home and a safe space with the staff and students there. She loves to play guitar and piano, and finds so much joy in the arts. Also, The Odd Couple: Female Version (Florence Unger) and various student music directing positions at Air Academy High School. Enjoy this magical show!

AVA PIEBENGA | SUSAN

Ava Piebenga is a senior Environmental Science major at Colorado College and is thrilled to be originating the role of Susan. She is very involved in the CC vocal department with past shows like The 25th Annual Putnam County Spelling Bee (Logainne Schwartz and Grubenierre), The Rocky Horror Picture Show (Phantom), and The Mystery of Edwin Drood (Ensemble) in addition to performances at Music at Midday, as part of CC's Chamber Choir, and as the national anthem singer for CC's D1 men's hockey team. SOPHIE ADAMS | MARI/PEGGY

She has been in theater since the fourth grade finding a love for it from the start. Theater is so important to her and communities because of its welcoming atmosphere. Some of her favorite works she has been involved in are Community Gardens (Daphne), Titanic (Lightoller), Curtains, and She Kills Monsters (Agnes). She's so grateful for the opportunity to be in this performance with such talented people, and hopes you enjoy the performance!

The most notable roles in his life were Leaf Conebear from "25th Annual," Harry in "Mamma Mia," Damien in "Mean Girls," Shrek in "Shrek: The Musical," and most recently, his dream role, Emmitt from "Legally Blonde" (Shoutout to the folks at CC Theatre Workshop!) He has studied theatre throughout high school and during his gap semester in Fall 2023, where he did an 8-week intensive in musical theatre at AMDA. However, Samuel Farkus in "Searching for Santa" poses a new challenge for Henry because for the first time in his life, he has to invent his character as part of an original cast, instead of just playing it. It was such an interesting experience, and he is very grateful to have spent this time with all of the truly amazing and special people involved in creating this show. Although he joined the 24-hr Musical literally one week after he started at CC, this is his first official CC production, and he will never forget it.

Her musical talents shine through her dedication to the ukulele, which she has played over the past three years, and her newfound interest in the violin. Beyond the stage, Ella's interests are diverse; she enjoys playing **Dungeons and Dragons**, diving into diverse battle books, and cherishing time with her pets, including a dog and three cats. With her myriad of talents and passions, Ella is well on her way to a bright and creative future in the arts.
