

PC 210 Investigations in Engineering

Engineering Half Block Courses

Colorado College Department of Physics

Year	Course Topic	Instructor
2022	Instrument Development and Manufacture	Joel Brand
2021	Sustainable Building Design	Rois Langner
2020	Process Engineering	John Lindsey
2019	Aerospace Engineering	Erik Daehler
2018	Sustainable Building Design	Rois Langner
2017	Civil Engineering: Energy Efficiency Audits	Shannon Dorato
2016	Structural Engineering	Jesse Chrismer
2015	Aerospace Engineering	Erik Daehler
