

## **Build Your Own Block (BYOB) Course Structure – 2026-27**

BYOB courses meet **every other day for two blocks** (18 days) rather than every day for one block (18 days) as a normal CC course would. Combining two BYOB courses yields the same two-units over two blocks that typical CC courses yield.

**There are no BYOB courses offered in the  
Psychology Department in 2026-27**
