

Pre-Declaration Checklist

Psychology Department

Colorado College

(Revised Sept. 2017)

Instructions

Review the requirements for the major from the department website, read and initial each declaration below, sign the form and return it to the Department Chair.

This form must be completed before submitting the Psychology Major Declaration Form (the green form).

Declarations

Intended Month/Year of Graduation: _____

Academic Advisor (must be a Psychology professor): _____

Completed Courses

_____ I have completed (S or C- or higher) PY100 Introduction to Psychology (or FYE Intro. or equivalent).

_____ I have completed (S or C- or higher) PY202 Research Design.

Major Requirements

_____ I understand that the listed course requirements for the major are the minimum necessary to graduate with a degree in Psychology.

_____ I understand all course requirements for the major, including courses listed outside of the Psychology Department (MA126 Calculus, CP122, CP115 and one non-Psychology Natural Science unit).

_____ I understand that I must earn an S or C- or higher grade in all courses, both within and outside the department, used to fulfill major requirements.

_____ I understand that it is solely my responsibility to take all courses in the required order and fulfill all requirements for the major in a timely manner.

_____ I understand the Research Experience requirement and procedures for applying for PY251/PY451 if it is not fulfilled before senior year.

Meetings

_____ I understand that I must attend mandatory meetings for Psychology Majors (e.g., PsycSoc) because I will be held responsible for the information disseminated in these meetings.

Honor Code

_____ I understand that I must adhere to the Colorado College Honor system, including stated requirements regarding plagiarism, quotations, citations and APA format in Psychology courses.
