

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for a process called verification. The law states that colleges must verify the information you and your parent(s) report on the FAFSA before federal student aid is disbursed. To verify that you provided correct information, financial aid administrators will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need corrections and could affect the student federal eligibility. You and at least one parent who filed your FAFSA must submit this completed signed worksheet with any required documents to the Colorado College Financial Aid Office. We may ask for additional information. If you have questions about verification, contact the Colorado College Financial Aid Office at financialaid@coloradocollege.edu or 719.389.6651 as soon as possible so the disbursement of your financial aid will not be delayed.
