If you would like to increase your meal plan from Meal Plan C to Meal Plan A or B and are requesting that this increase be covered by your financial aid eligibility, you must complete all information below.

Current Meal Plan On Billing Statement:_____

Requested Meal Plan:_____

How do you intend to pay for this additional expense?

_____ **Increased Loan Eligibility**

You must talk to Financial Aid about what loans options you have to increase for this choice. For some, it may be Federal Loans, for others it may be Parent Loans or Private Loans.

_____ **Outside Scholarship**

This would apply if you have an outside scholarship coming in that will cover your current balance and the increase in cost by increasing your meal plan.

_____ **Division I Athletic Funding**

You must be receiving Division I Athletic funding, not simply participating on the team. (You athletic funding will be increased by the same percentage as your current award)
