**2015-16 Noncustodial Parent Waiver Petition**

The college believes strongly that it is the responsibility of both biological/adoptive parents to pay for a student’s college expenses based on their financial ability. Financial information is required from both biological/adoptive parents to determine a student’s financial aid award. If the biological/adoptive parents of the student are divorced or separated, the noncustodial parent is the biological/adoptive parent with whom the student has not lived the most during the past 12 months. If the student has spent an equal amount of time in both parents’ households during the past year, then the noncustodial parent is the parent who has not provided the most financial support during this period. By completing this form, you are petitioning that an exception be made to the requirement of receiving financial information from your noncustodial parent.
