Dear Friends and Supporters,

The 2013 Summer Music Festival was fabulous! Thank you for your support and participation. The festival is very lucky to have such an enthusiastic group of friends. We hope you enjoyed the concerts as much as the festival students and faculty did this past season.

From our 2013 students:

"This was one of the most enjoyable, stimulating and inspiring festivals I've ever attended. The faculty didn't see me simply as a student, they saw me as a young musician and were extremely approachable, encouraging and fun to be around."

-Drew F., viola
"Out of all the summer festivals I've attended in my life, I have learned more here than anywhere else."

-Lauren N., viola

We are planning special events to celebrate our 30th anniversary season in June 2014. 'Like' us on Facebook and check our website frequently for updates and announcements!
