

Students at Colorado College will have these amenities in their residence hall rooms!

- Energy Star® rated, saves money and helps protect the environment
- Patented Safe Plug® internal circuitry reduces the risk of circuit overloads
- Only one plug to the wall - UL approved
- 700-watt, touch-pad microwave
- 2-liter bottle storage on door and full-width wire shelves
- True, zero-degree freezer

- Large enough to hold a laptop computer, video camera, cell phone, digital camera, CDs and more
- Key pad and card-swipe access system allows operation of the privacy box with a personal code or credit card
- Heavy-duty steel construction
