FOR OFFICE USE ONLY
ADDITONAL SUPPORTING MATERIALS REQUIRED

1. Please type your answers to the ten questions below, as completely as you are able. This will help Colorado College determine how well the program you are petitioning for meets our Guiding Principles for Study Abroad.

2. Transcript: Include your high school transcript with your petition (may be unofficial, or a photocopy).

3. Syllabi: Please attach all relevant academic information about the proposed program, including course syllabi and/or course descriptions. These are important to determine course equivalency, so if you can’t locate these on the program website, please contact the program to see if these might be available in another manner.

QUESTIONS:

1. Describe this program and how it will fulfill your academic needs.

2. How did you learn about this program?

3. On average, how many students are admitted to this program? What is the average number of students per class?

4. What is the minimum GPA required for admission? Are there language or other eligibility requirements?

5. What courses do you intend to take? What is the name of the institution that will award a transcript following the completion of this program? Describe the grading system.

6. Who teaches the courses you propose to take? (Local university faculty? Faculty hired by the program?) Indicate the most advanced academic degree attained by the faculty members teaching the courses you intend to take.

7. Is language study a formal part of the academic program? What opportunities exist outside the classroom for students to develop foreign language skills?

8. How do students on this program engage with the intellectual, political, cultural and social institutions of the host country? Does this program include field trips or meetings with local experts and speakers? What kinds of cultural events are available in the city/area? Preference will be given to programs that provide significant opportunities to interact with the host culture.

9. Describe the orientation program that exists for students on this program.

10. Describe where you would live as a participant on this program.

Feel free to include any additional information you would like the review committee to know.
