#### In this document:

- C An asterisk (\*) in a response category means that less than 0.5% of respondents chose that response category and a dash (-) represents no response.
- C An carrot (^) denotes rounding. Due to rounding, some figures may be higher or lower by less than one-half of one percent.
- C "Skip base" is the percentage of voters that are asked a question because they meet a criteria based on a response to a previous question, meaning not all 1,100 respondents received that question.
- C "Total base" is the percentage of the total sample, in this survey that is 1,100 sportsmen.

But, the Legislature COULD set aside up to 200 million dollars under current law, WITHOUT increasing taxes. Knowing this, would you support or oppose the State Legislature fully funding the Wyoming Wildlife and Natural Resources Trust to preserve fish and wildlife, ranchlands, natural areas and water in the state?

**(IF CHOICE, ASK:)** And do you STRONGLY (support/oppose) this, or just SOMEWHAT (support/oppose)?
