

FIRST DESTINATION SURVEY

Colorado College
Class of **2025**

OUTCOMES FOR CLASS OF 2025

Graduates are considered to have an outcome if they have accepted a job, fellowship, service commitment, military commitment, or reported attending graduate school. It does not include graduates who received a job offer and declined.

Five hundred thirteen (513) graduates with an outcome have accepted:

- 98%** of graduates are satisfied or extremely satisfied with the post-graduate outcome they secured
- 91%** will use the knowledge and skills they learned in college in their outcome
- 86%** are confident or extremely confident in their career readiness to secure employment and succeed in work
- 82%** have used the Career Center's services or resources during their time at Colorado College.
- 83%** said that connections from Colorado College were helpful or extremely helpful in their career development.

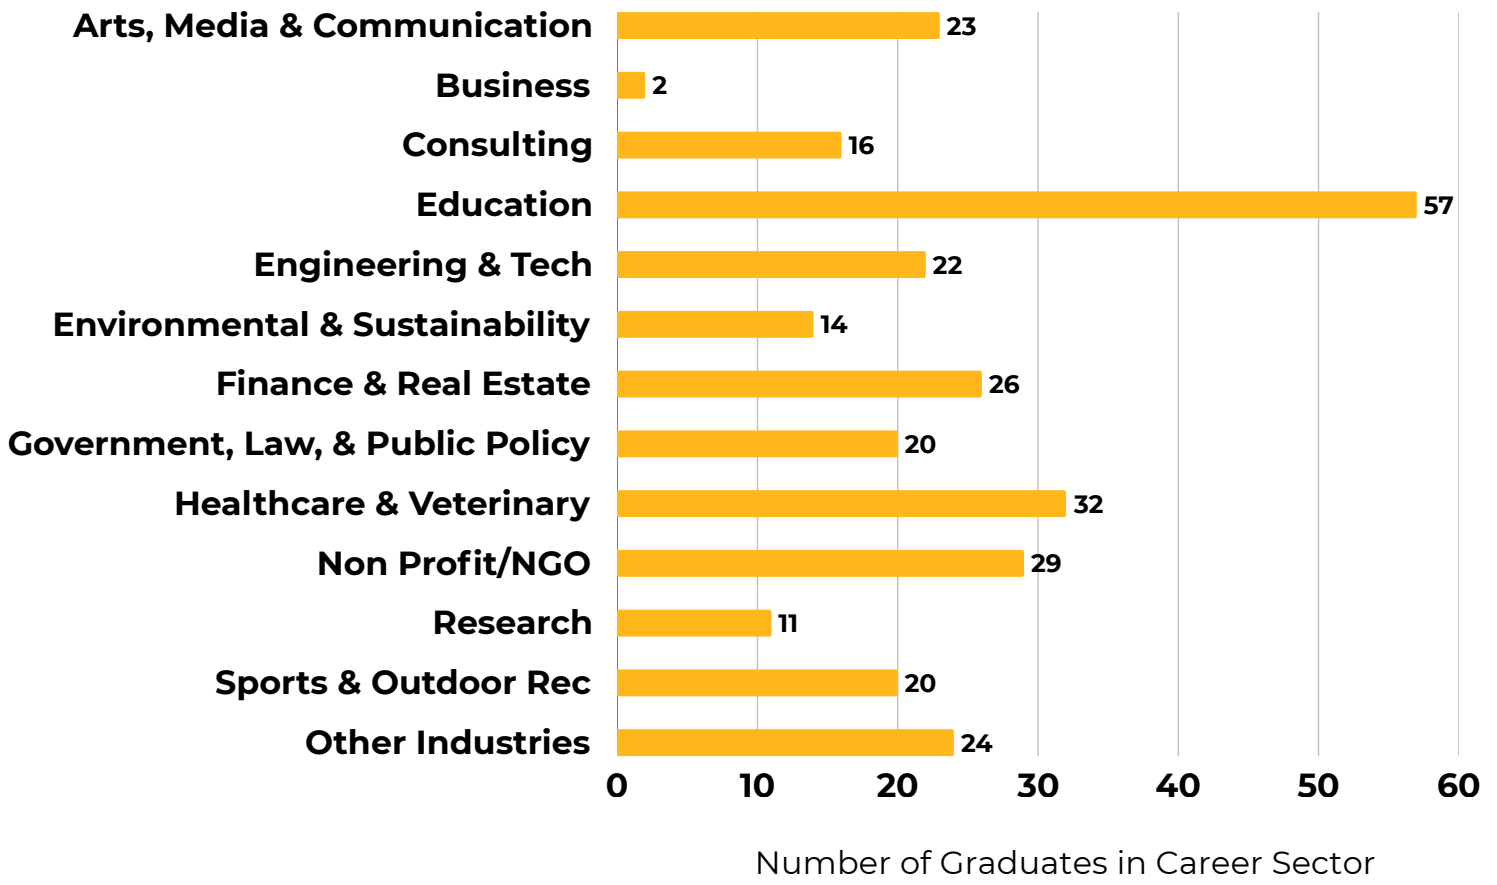

EMPLOYMENT

Of the **357** graduates who accepted employment

- **307** accepted a job
- **35** went into freelance, contract role, or entrepreneurial endeavors
- **15** obtained a fellowship

OUTCOMES

There were 615 Graduates in the Class of 2025. Data for 513 graduates (*a knowledge rate of 83.4%*) of the Class of 2025 was collected. This includes those who graduated between August 2024 – May 2025. Of those 513, **88.1% were employed, continuing education, in the military, or participating in a fellowship or service commitment within six months of graduation.**

Knowledge rate refers to the percentage of graduates for whom information of their first destination career outcomes has been obtained. This includes survey data reported by graduates, LinkedIn profile information, and knowledge shared by reliable sources.

YEAR TO YEAR COMPARISONS

	Class of 2022 485 Grads	Class of 2023 524 Grads	Class of 2024 536 Grads	Class of 2025 615 Grads
Employed	55.7% (270)	63.7% (334)	50.5% (271)	69.6% (357)
