

# International Student Support Network

Colorado College supports its diverse international student population with dedicated professionals across a wide range of college offices and departments. While many services exist for all CC students, these offices have staff dedicated to the unique needs and challenges of our international student population.

## International Student & Scholar Services within Global Education

ISSS assists international students with F-1/J-1 immigration matters, cultural adjustment, and navigating life at CC and in the U.S. Our programs and advising open doors for you to study, live and thrive in the United States

**LOCATION:** Armstrong Hall 2nd Floor, Global Education Suite

**CONTACTS:** [ISSS@coloradocollege.edu](mailto:ISSS@coloradocollege.edu)

## International Student Support within Residential Experience & Housing

Helping with any concerns or questions about your housing assignment, residential life, and with any other needs that relate to living on campus as an international student.

**LOCATION:** Bemis Hall, Room 139

**CONTACT:** [housing@coloradocollege.edu](mailto:housing@coloradocollege.edu)

## International Student Support within the Butler Center

The Butler Center supports international students through programs that seek to inform, educate and build coalitions. We create a network of support, engage campus resources and provide opportunities for intercultural exchange.

**LOCATION:** Worner Hall, 2nd Floor

**CONTACT:** [ButlerCenter@coloradocollege.edu](mailto:ButlerCenter@coloradocollege.edu)

## International Student Support within the Student Opportunities & Advising Hub

The Hub works with students to develop and execute an academic plan that ensures satisfactory progress towards a degree. Advisors support each student as a whole person to identify, describe, and achieve their educational, professional, and personal goals.

**LOCATION:** 1014 N. Weber Street

**CONTACT:** [advisinghub@coloradocollege.edu](mailto:advisinghub@coloradocollege.edu)

## Office of Culturally & Linguistically Diverse (CLD) Education

The Office of CLD Education offers academic support specifically tailored to meet the needs of a wide range of students with different cultural & linguistic backgrounds through courses and individual consultations.

**LOCATION:** Tutt Library, Office 214

**CONTACT:** [cwalter@coloradocollege.edu](mailto:cwalter@coloradocollege.edu)

## International Student Support within the Career Center

The Career Center works with students on internships and post-graduation professional opportunities in the USA, connecting your liberal arts education with your future professional journey.

**LOCATION:** Morreale House, 1130 N. Cascade Avenue

**CONTACT:** [careercenter@coloradocollege.edu](mailto:careercenter@coloradocollege.edu)

# Check In With Us When You Are...

- Feeling lost, confused, or out of place at Colorado College
- Seeking someone who will listen and help connect you to resources to help
- Hoping to find someone who understands your unique circumstances
- Considering a major change in your life, career, or academic path

- Immigration advising for changes in enrollment, major, or a leave of absence
- Support with resources and adjusting to the cultures of CC and the U.S.
- Employment authorization for an off-campus internship or job
- Updated immigration documents and travel signatures

- Have concerns about your housing, roommates, or life on campus.
- Questions about housing options for the future
- Interest in remaining on campus during a break

- Having questions about changes in your identity and sense of self
- Encountering prejudice or concerned about how others perceive you
- Hoping to build a better sense of belonging on campus or in the USA
- Seeking anti-racist and identity-confirming programming

- Seeking advice on upcoming courses, selecting a major, or defining academic goals
- Planning to request a block or semester leave from coursework
- Hoping to connect your curricular and co-curricular interests
- Working to identify life goals and how CC can build towards them

- Looking for study, reading, writing, and oral presentation strategies
- Workshopping assignments, research papers, lab reports, reflections, etc.
- Seeking help with grad school applications, internship or job essays, etc.
- Adding a skills-development adjunct course throughout the year.

- Hoping to align your academic interests and your career goals
- Considering an off-campus internship.
- Thinking about working and living in the USA after graduation.
- Exploring grad school options
