

Tutt Library Renovation & Expansion

- First library specifically built for the Block Plan, bringing the campus community together in structured and unstructured, flexible ways
- Features technology-equipped seminar rooms, study space, group collaboration rooms, café
- More than doubles seating capacity, from 495 seats to 1,100 seats
- Adds nearly 25,000 square feet to building (currently 69,600 square feet; will be increased to 94,317 square feet)
- Net-zero energy building: Geothermal wells drilled on Armstrong Quad for reversible geothermal heat pump will provide heating and cooling for the library
- Opening: August 2017
