Scope of Services

- ✓ Individual counseling with licensed mental health professionals
- ✓ Mental health medication prescribing and monitoring
- ✓ Consultations with students, parents, faculty and staff regarding mental health issues

Fees

The first six counseling sessions are free and \$40 per session after that. Student Health Insurance covers services at 100%.

**Fees for psychiatric services can be found on our website.*

No student is denied services for financial reasons. Special funds are available to students to pay for counseling and **no student is denied counseling because of fees.**

The Counseling Center focuses on **brief solution focused counseling**. We are not able to provide weekly individual counseling through the academic year.

If a student needs a more intensive level of care, we will work with the student to find appropriate treatment in the community and *provide referrals to a mental health specialist.* **We do not offer psychological testing.**
