Additional Notes

Travel / Cash Advance Instructions

When you have completed your trip (or funds have been spent) please complete the Per Diem Form and return it to the Business Office. You are personally responsible for a cash advance until the report form is completed and turned in. **Absolutely NO travel / cash advances will be given until ALL prior advances are accounted for.**

Please remember than an account is not charged until the advance form is received by the Business Office. If you receive an advance during the fiscal year and do not report on it until the next fiscal year, the expenditures will impact the next year's budget, not the current year's budget.
