Congratulations to the following “Children Center” Teachers who were awarded the “Early Childhood” Professional Credentials 3.0:

Sarah Abney - Level 6 (completed all the coursework, hours and professional development skills to be considered director at a “large” daycare center)

Nik Dashiell-Mooney – Level 3 (completed all the coursework, hours and professional development skills to be considered director at a “small” daycare center)

A note of appreciation from Elizabeth Leslie, Academic Assistant in the President’s Office, expressed her appreciation for the time and effort that Luke Scott, Environmental Health & Safety Manager at Facilities Services took to make her workstation comfortable and inviting. Elizabeth started as a “temporary” employee for CC and worked in many departments around campus. Elizabeth stated, she experienced some “very odd” workstations around campus. She was thrilled with the service she received from Luke with her new workstation and with the overall service received from Facilities Services.

Let us celebrate and recognize employees who have worked at CC for 20+ years:

Susan Brickell, George Eckhardt, Brad Fairbanks, Kim Foster, Rick Greene, Karl Greis, Darrold Hughes, Kris Higginbotham, Amy Ingalsbe, James Martinez, Lenny Ortman, Lori Scroggins, Heather Stapish, Mike Starr, Jeff Verhey, Barbara Wilson and Ed Wojakowski
