

RENTERS INSURANCE INFORMATION

Renter's insurance protects your personal property from unexpected circumstances such as theft or a fire — and will pay you for lost or damaged possessions. CC recommends all students secure a renter's insurance policy.

Colorado College does not endorse any particular renter's insurance company, but provides a few options below for your information.

- Check your parent/guardian's homeowner's or renter's insurance policy to see if it covers your property while you are away at school.
- National Student Services, Inc. offers customizable insurance. Their rates range between \$83 and \$293 annually. More info about NSSI can be found at: <https://www.nssi.com/>
- Gallagher Insurance offers student policies between \$76 and \$315 annually. More info about Gallagher Insurance can be found at: <https://www.collegestudentinsurance.com/>
- Safeware offers Dorm Defense, student renter's insurance plans. More info about Safeware can be found at: <https://www.safeware.com>
