

FELLOW PROFILE

Fellow's Name:

Meg DeMarsh

Fellow's Partner Organization:

National Conference of State Legislators: Education Program

What are your main responsibilities as a PIFP fellow?

As a fellow in the Education department at the National Conference of State Legislators, I assist the K-12 team with their day to day responsibilities. I primarily conduct research on current educational policy for various members of staff and respond to information requests submitted by members or member organizations.

What's the most interesting thing you've learned in your fellowship so far?

I didn't know much about educational policy coming into this internship, so it's been a great learning experience!

Why did you want to become a PIFP Fellow?

I am interested in entering the nonprofit sector and PIFP seemed a great place to start.

What activities outside of your work do you enjoy?

I love to hike!

What is something most people would be surprised to know about you?

I like my Oreos with peanut butter on them 😊
