Message to All Returning Students and Parents: Monday, Aug. 3
New Billing Process for 2020-21 Academic Year

Sent on behalf of the Office of Student Accounts:

Hello Students and Parents,

We hope you are staying healthy and safe during these uncertain times.

The Office of Student Accounts would first like to apologize for the last-minute changes it will need to make to the billing process for the upcoming school year. The changes in course flexibility this year allowing students the opportunity to take 10 blocks for the price of eight blocks at any time during the year have posed challenges for billing fees on a semester basis, as is normally done.

To simplify the billing process, the college has decided to charge the 2020-21 fees for tuition, housing, meal plans, and health premiums (if applicable) for the whole year in the Fall Semester. We will offer a number of flexible payment plan options to help families pay their yearly fees.

We understand this will prompt many questions. Please review this important FAQ sheet for help with your financial aid questions.

The Student Accounts webpage is updated to reflect these changes. Please visit https://www.coloradocollege.edu/offices/studentaccounts/ to obtain detailed information about due dates and payment plan options. Student Accounts also has prepared their FAQs. Please see this page for 2020-21 updates.

This will be a challenging year for all of us. We ask for your patience and understanding. We will do our best to answer questions and concerns as quickly as we can and offer financial guidance.

We wish you a safe and healthy year!
