 - It is one of the few spaces they are allowed to have a business
 - Wanted to ease any fears that this is an intentional move to be in the thick of things

- Student Trustee applications will open the 2nd Tuesday of 5th block
- The status of Dr. Buckley's position and what the new plan means for his position. It is unclear what this means
 - Dr. Buckley no longer holds his position. The question is, is this a signal for him to leave or is it a good faith attempt for him to reapply and keep his job.

- Sakina: I heard that Dr. Buckley was invited to apply for a demotion, which he's not going to do. Getting rid of his title and inviting him to apply for a job that is below his current position. Also, a lot of other Butler Center staff will be losing their positions
- Nicolette: The report says the Butler Center will be more student focused but doesn't mention anything about the positions.
- Will be advocating for the Senior Associate Dean of Students search committee to have a student on it
