

Colorado
Secretary of State

Census, Redistricting, and Voting

How does voting work in Colorado?

- All registered voters with current addresses on file will automatically be mailed a ballot beginning October 9
- You can register or update your registration online
- We have same day registration - you can register and vote at any vote center in your county through 7pm on Election Day
- You can return your ballot by mail or to any secure 24-hour drop box
- November 3 is the last day to vote, your ballot must be received by 7pm – postmarks don't count
