

April 7, LPOG agenda and meeting minutes

Agenda: *Continue working on general policies and procedures.*

- We finalized the Miscellaneous policies (including pets public and smoking / vaping), and mail room policies (mostly who signs for packages and that mail / packages stay in the mail room and are picked up from there).
- Chad will follow up with Linda Petro to get some language we might find useful for the Events section.
- We adjourned 20 minutes early to attend the Spring Fling at the Fine Arts Center.
