Prevention Education and Empowerment for Peers Peer Health Educator Application

PEEPs Health Educators are CC students who are committed to promoting the health and wellness of the campus community. They empower their peers to make well-informed decisions by serving as role models, providing referrals to on- and off-campus resources, and creating and conducting innovative educational programs.

Being a PEEP Health Educator does require a substantial commitment of time and energy. All Peer Health Educators commit to completing up to 12 hours of basic health educator training, as well as ongoing training on topics such as alcohol and drugs, sexual health, physical activity, nutrition, body image, financial literacy, sleep and stress management. PEEP Health Educators are also expected to:

- Attend 2 Saturday trainings.
- Attend weekly Wednesday meetings (4-6pm weeks 1,2, and 3).
- Conduct workshops and educational programming.
- Volunteer for a minimum of one academic year.

To be considered, please complete the entire application. Applications are due by 4pm, Friday, September 20, 2019.

Send your completed application to cwalters@coloradocollege.edu or drop it off at 226 Worner.

Name: _____

Phone: _____

Email: _____

Gender: _____

GPA (cumulative; maintaining a 2.5 GPA is a requirement for the program): _____

Year in School: _____

Expected Month and Year of Graduation: _____

Major(s): _____

Minor(s): _____

We check applicants' student conduct records. By checking the box below, you acknowledge that the Wellness Resource Center will ask the Associate Dean of Students to check conduct records and inform the WRC of any significant conduct violations.

In completing the questions below, you are encouraged to type your answers on another page and attach. The more complete answers you are able to provide will give us the best sense of you and how you would fit with the PEEPs Health Educator Program.

Why are you interested in being a PEEPs Peer Health Educator?

Although all PEEPs Health Educators are expected to develop foundational knowledge on the variety of topics on which the Peer Health Educators conduct programming and outreach, we understand that most students have specific interests. What topics are you most interested in working on, and why?

What do you believe is the greatest health-related challenge facing CC students?

What knowledge, skills, interests and strengths will you bring to the PEEPs Health Educator Program?

Please list your co-curricular and work responsibilities and approximate time commitment to each.

What experiences do you have in working as part of a team? What role do you typically play on a team?

What experiences do you have in giving presentations or workshops? Describe your presentation style.

PEEPs Health Educators are expected to be positive role models. Describe how you would be a positive role model for CC students.

What kinds of experience do you have working with people of different ethnicity, gender, sexuality, ability, and/or religion?

How do you practice self-care?

Please share any other information you think would be helpful to us as we consider you for the role of PEEPs Health Educator.

Please provide 2 references who can speak to your abilities to be successful as a PEEPs Health Educator.
