

You have options.

If you have been impacted by sexual or relationship violence, resources and support are available for you at any time.

YES

You are not alone. Please continue reading to see which type of resource may be best

Would you like to talk to someone?

NO

Only you can make this decision. Everyone processes experiences differently. Resources are always available.

Confidential

Does not generate a report to Title IX or Campus Safety. No information is shared without your express permission unless required by law.

Campus Advocate

Trauma-informed support. Available to review your options to ensure safety, provide information about services, and assist in coordinating supportive measures.

(719) 227-8101
M-F, 9AM-5PM

Counseling Center

Staff therapists and psychologists available to provide emotional support. Six therapy sessions are available each semester for students.

(719) 389-6093
