

2023 REUNION COMMITTEE MEMBERSHIP

PURPOSE

Class reunions are one of the best ways to strengthen the connection between alumni and the college. The goal of a reunion committee is to promote class-wide enthusiasm for your reunion, help plan the reunion activities, and encourage both reunion attendance and participation in the class gift.

RESPONSIBILITIES

- If possible, **attend** the Reunion Volunteer Weekend held March 3-4, 2023. During the Reunion Volunteer Weekend, the committee will help plan the reunion and set goals for a commitment to the class gift project.
- **Contact** classmates to encourage reunion attendance and support of class gift by leveraging your network through social media and personal outreach within your class.
- **Lead** by example. Be the first donor listed on your reunion giving page by making an early gift to Colorado College and serve as an example for classmates to follow.
- **Share** Colorado College news and reunion information with classmates as well as the importance of giving back to CC through donations, volunteerism, and connections. Share your own reasons for supporting the college.
- **Participate** in quarterly Zoom committee meetings and ongoing email discussions with committee members and CC reunion staff to answer questions and update progress.
- **Thank** classmates as appropriate.
- **Serve** as a class ambassador at Homecoming, Oct. 13-15, 2023; meet and greet as many classmates as possible. Most of all, **HAVE FUN - IT'S YOUR CC CLASS REUNION!**
