2020 REUNION COMMITTEE MEMBERSHIP

PURPOSE

Class reunions are one of the best ways to strengthen the connection between alumni and the college. The goal of a reunion committee is to promote class-wide enthusiasm for your reunion, help plan the reunion activities, and encourage both reunion attendance and participation in the class gift.

- Contact classmates to encourage reunion attendance and support of class gift by leveraging your network within your class.

- Lead by example. Make an early gift to Colorado College and serve as an example for classmates to follow.

- Participate in periodic conference calls and email discussions with committee members and CC staff to answer questions and update progress.
